NATIONAL CYBER CRIME REPORTING PORTAL

MINISTRY OF HOME AFFAIRS (MHA), GOVERNMENT OF INDIA

COMPLAINT DRAFT - SUSPECTED DIGITAL CYBER FRAUD

1. CATEGORY OF COMPLAINT: Online Financial Fraud / Digital Arrest Scam

2. SUB-CATEGORY: KYC Fraud

3. SUSPECT DETAILS:

- Impersonation identity: ED
- Call medium: VoIP / WhatsApp Call / Voice Call

4. SUSPECTED AMOUNT INVOLVED: Rs. Rs 85,000

5. SYSTEM CLASSIFICATION DETAILS:

- Risk Probability: 68.8% Cyber Threat Risk
- Key Indicators Found: Urgency, Account Freeze Threats, Secrecy Isolation

6. DETAIL DESCRIPTION OF INCIDENT:

The victim received a suspicious communication attempting to orchestrate a "KYC Fraud". The caller claimed representing "ED" and used high-pressure tactics to intimidate the victim. The caller demanded a financial transaction under threats of legal actions, account suspension, or immediate arrest.

Transcript of incident:

"Hello, I am speaking from the HDFC Bank security operations center. We have detected unauthorized transactions of Rs 85,000 from your credit card ending in 7721. To block your card and reverse these transactions, please confirm your card CVV number, expiry date, and the OTP we just sent. If you do not verify within 10 minutes, the fraudulent transactions will be processed and your liability will be Rs 85,000."

7. REQUESTED ACTION:

Requesting the Cyber Crime Cell to block the suspected contact numbers/UPI IDs used during the call, block related bank transfers, and investigate potential money-mule accounts linked to this scam signature.
